

CaPA Funded and Gap Grant List

Organization	Project State(s)	Org type	Est. Org size	Need Identified	Summary of Project
Alliance for Climate Education	Arizona, North Carolina	501(c)(3)	Large	\$100,000	Engage over 20,000 ACE Youth Action Network members with SMS, email, a social media campaign, and postcards in NC, including calling for climate action, registering to vote online, absentee ballots, and encouraging friends and family to vote for climate justice. Youth Organizers in NC will individually contact each Youth Action Network member via ThruTalk and ThruText. ACE's Action Fellows in NC will be trained in voter registration, voter protection, and relational voter turnout using Outreach Circle. They will support ACE's campaign including: handwritten postcards, texting, live phone calls, and geo-targeted digital ads.
Campus Election Engagement Project	Arizona, North Carolina	501(c)(3)	Medium	\$25,000	Mission is to help administrators, faculty, staff, and student leaders at America's colleges and universities engage students in federal, state, and local elections. Hire five fellow who will work 120+ hours this fall conducting peer-to-peer outreach to get students to vote. Fellows will recruit and guide student volunteers in conducting voter registration, education and turnout activities, including distributing CEEP's nonpartisan candidate guides.
			National Total	\$125,000	
Environment North Carolina	North Carolina	501(c)(4)	Medium	\$15,000	Virtual course for high school and college students to earn certificates in climate advocacy, with assignments to use skills learned. Main focus of the course is promoting 100% renewable energy, holding the administration and NC senators accountable for bad climate policy, and lobbying state legislature.
North Carolina Council of Churches	North Carolina	501(c)(3)	Medium	\$15,000	8-part webinar called Voting Our Values making the connection between climate action and voting will be sent through youth networks and to college campuses. Distribute 10,000 voter guides that includes climate information. Direct appeals to students 16 and over, emphasis on first time and rural voters, with information on how to register and options for voting. Signage and information cards distributed at schools, colleges, churches and high traffic locations. Youth targeted videos, and radio spot focused on voting for climate action on major radio stations with large young adult listeners.
North Carolina Asian Americans Together	North Carolina	501(c)(3)	Medium	\$10,450	Virtual internship program for 7 AAPI high school and college aged youth to mobilize their friends and families to vote with a youth-specific script and phonebank, and relational outreach to 10-15 AAPIs each. Work with 1-2 university student organizations to put together a campus takeover event training and mobilizing 60 students for relational organizing. Reach out to professors and high school teachers across the state to set up voter education and voter registration chats with students.
Piedmont Environmental Alliance	North Carolina	501(c)(3)	Small	\$10,000	Conduct an environmental issue survey for candidates on Forsyth and Guilford County ballots and work with 20+ partner groups (including youth-led orgs) distribute. Email and social media campaigns about how, where, and why to vote. Host live webinars and share dynamic videos/graphics to engage and mobilize prospective voters. Person-to-person email and phone calls. Work with 25-50 partners to share materials and lists.
Generation Progress Action	North Carolina	501(c)(4)	Medium	\$11,000	(Part of Center for American Progress Action Fund) Peer-to-peer digital relational organizing: create and distribute visual, emotional, and personal content (memes, videos, posts, and pictures) focused on the power of voting to fight back against climate change to mobilize Gen Z and Millennial voters. Content delivered through "credible messengers" e.g., local friend networks, affinity groups, and social circles.
Vote Common Good	North Carolina	501(c)(4)	Medium	\$5,000	Faith-based org reaching out to give Christians an "exit ramp" to vote against Trump in 2020 election. Vote For The Future project is targeting Ambivalent Youth: recruit volunteers to contact voters through phone-banking and releasing targeted ads, then launch Vote Common Good Tour including in person and online trainings and possibly a rally. Adopting a Swing State campaign to reach 50,000 movable faith-voters. Candidate Training by The Common Good Messaging Team.
			In-State Total	\$66,450
